## The Daughters of Zeus Series, Book Two

Some vows can never be broken, especially with you've recently found out you're a goddess.

In the flick of an eyelash Persephone has gone from being a high school junior in Athens, Georgia to the wife of Hades, god of the Underworld. Under his platonic protection, she's waiting for springtime, when Boreas, the sinister god of winter, will stop stalking her.

But even Hades can't keep Boreas and his minions from threatening her. Finally she escaped back to the world of the living. Maybe she can just go back to normal-and forget that she's fallen in love with Hades.

She's wrong.

Thanatos-a friend from the Underworld, has betrayed her. Persephone can't tell anyone about Thanatos' betrayal, and it drives a wedge between her and Hades.

And then there's Aphrodite, the gorgeous goddess who was born among the ocean waves with more charm than she can control. Persephone's dearest ally, Melissa, is furious and jealous when Aphrodite starts winning Persephone's friendship. Persephone turns to a human boy for friendship. But will their relationship put him in danger?

Persephone must choose between her human life and her responsibilities as a goddess. If she doesn't, she could lose that life and Hades
