**Elder Law is currently available on the Amazon Kindle Store (multiplatform) and the Apple iBookstore (iOS).**

Elder Law, Fourth Edition, is published in digital format solely by Carolina Academic Press. Because of the digital format, we are able to include such features as live links to state and federal statutes, cases, and other web-based material that you can reference or incorporate into your coverage. Many chapters contain 50-state statutory tables that will allow your students to access, directly from the book, state specific laws that are relevant to the subject matter of the chapters. The book covers traditional subjects and also “hot topics” in elder law and practice.

This book contains almost entirely new content when compared with our 2007 edition.
