Within a space opera landscape, Harmony explores the spirituality of a different human culture bound by a rigid caste system. Laudae Sissy, the new High Priestess of the world called Harmony, reaches across all seven castes of her society, seeking a new unity that will protect their isolation from the rest of the galaxy. But other cultures and races are testing their borders, searching for the most valuable commodity in civilized space. Sissy's quest leads her through a quagmire of human motivations in search of a new understanding of life upon Harmony's Path.
