Imperialist Canada

Todd Gordon

Imperialist Canada Todd Gordon

Imperialist Canada exposes Canada's imperialist past and present, at home and across the globe. Todd Gordon interweaves histories of aboriginal dispossession in Canada with the cold facts of Canadian capital's oppression of indigenous peoples in the global South. The book digs beneath the surface of Canada's image as global peacekeeper and promoter of human rights, revealing the links between the corporate pursuit of profit and Canadian foreign and domestic policy. Drawing on examples from Columbia, the Congo, Sudan, Haiti and elsewhere, *Imperialist Canada* makes a passionate plea for greater critical attention to Canada's role in the global order.
