John Wesley (Library of Protestant Thought)

John Wesley

John Wesley (Library of Protestant Thought) John Wesley

A major figure in eighteenth-century Christianity, John Wesley sought to combine the essential elements of the Catholic and Evangelical traditions and to restore to the laity a vital role in church life. He began one of the most dynamic movements in the history of modern Protestantism, a movement which eventually produced the Methodist churches. This volume offers a representative selection of theological writings by Wesley and includes historically oriented introductions and footnotes which indicate Wesley's Anglican, patristic, and biblical sources.
