Morgan is a National Disaster.

Morgan Abbott couldn't be happier. Super-cute Max has quit her Secret Service detail to be her (secret) boyfriend, and the annoying Brittany Whittaker has been ousted from class president, leaving the post open for Morgan! Life is pretty sweet.

Now Morgan just has to tackle college applications—but she has so much else to juggle that looking that far ahead seems impossible! Good thing she's graceful under pressure . . . well, sometimes.

A trip to London should be just the thing to take her mind off all the craziness, but true to form, chaos follows Morgan wherever she goes—and the trip turns into an international disaster. Can she make it right? Or will she cause a royal mess?
