The Australian Shepherd: A vet's guide on how to care for your Australian Shepherd dog Dr. Gordon Roberts BVSc MRCVS

The Australian Shepherd is a bright, intelligent and loyal dog and he has become a favourite all over the world. If you're thinking about getting one of these very special dogs, this book will tell you everything you need to know. It's been written by Gordon Roberts, an experienced veterinarian who runs eight successful veterinary clinics around the UK. Gordon has made sure to include a wealth of useful advice and information on this unique breed. In the book, you'll learn:

- All about the Aussie's personality and temperament
- The history and origins of the Aussie, and how this affects its behaviour
- Vital questions to ask yourself before choosing this breed
- How to tell an ethical Aussie breeder over an unscrupulous one
- How to choose a good natured puppy from a litter
- Essential things to know about caring for herding dogs like the Australian Shepherd
- Specific health considerations for this breed
- Proven ways to train your Aussie, from puppyhood into adulthood
- Fascinating information such as body language, pack leadership and socialisation
- And much more!

This book should be kept somewhere safe and referred to throughout your dog's life. Dr Roberts is a strong advocate of preventative care and has added some specialist health information to the book that you won't find anywhere else. This includes a detailed, comprehensive guide to the most common canine diseases with information on signs, symptoms and possible treatments. You'll also find a useful list of medications with important information such as side effects and doses.

This expertly written book is designed to help you become a confident, competent and knowledgeable Australian Shepherd owner. We hope you enjoy reading it!
