"Secrets, lies and shocking revelations make this a love triangle with some very sharp edges!"

Being desired by 2 eligible Billionaire Bachelors at once is usually the stuff of dreams for most women and it certainly was for cute and curvy Lacey Butler.

It appears that Lacey has made her choice and she is set to choose the charismatic Cole Tyler over the moody Nate Horwood. However, Lacey does not yet realize that love is not the only thing at stake for these powerful men and she might just be a mere pawn in a huge power struggle....

CJ Howard Q&A

Q – This is quite different from what you have done recently, what inspired you to write this series?

A – Being a curvy woman myself I have always wanted to write a curvy romance with a BWWM theme to it also. So many stories these days involve a woman being desired by a billionaire but not many have the same woman being chased by 2 billionaire bachelors at the same time.

Q – So what can readers expect from this new series?

A – This a mini-series and the story develops over 3 parts. I can not give much away obviously but there will be lies, betrayals, scandal and RED HOT SEX. You will find that Lacey will have to make a big decision by the end of book 1.

Q- Why do you think BBW Romance is so popular these days?

A – I think the readers have had enough of the cliché romances where the skinny size zero girls get the man. This is what might happen in Hollywood but it does not happen in real life. Most men you will meet always tell you they love a woman with curves and something to grab on to yet you never see this in movies or mainstream books. I think the fact these books are so popular are showing us what the readers really want!

Q – I am half way through this book and Nate seems like an amazing man. Please don't tell me he turns nasty!

A – I can not tell you anything you simply have to read on and find out what happens. In this story you will soon realize that not everything is as it first seems ;-)
