Definitely a necessity for anyone involved in professional or amateur entertainment, this handbook is the only resource to offer all vital information about health and safety issues affecting the performing arts. Covered are topics relevant to every type of performance venue: stage, film, television, theme parks, circuses, parades, fireworks displays, and beyond. The author outlines safeguards against hazardous materials such as theatrical paints, certain makeup, pigments, and solvents, and recommends protective measures for woodworking, welding, using fog and other special effects. Safety checklists, agencies to contact for help, and other important tips are included.
