The Taming of Lady Kate G.G. Vandagriff

The Deseret News says, " Like [Georgette] Heyer, she [Vandagriff] centers her novel on witty characters that readers will love. These brilliant characters combine with an unexpected witty and humorous tone to create a must read." *The Taming of Lady Kate* is the second in the trilogy of Regency novels, "Three Rogues and Their Ladies."

In this story, Lady Kate Derramore and the Marquis of Northbrooke have one thing in common: In order to receive their inheritances, they must marry. Lady Kate, prevented from marrying the man she loves by her father's will, determines to marry for convenience. With the forthrightness for which she is noted, she sets her sights on Jack--aforesaid Marquis. Jack, meanwhile, has tumbled into love with Kate at their first meeting. All might have gone swimmingly, were it not for his "other life," the mysterious job that calls him out of town at the most inopportune moments. Unwittingly, he puts Lady Kate's life in danger, and while attempting to rescue her comes up against her "reins-grabbing" nature. Will he ever be able to master Lady Kate? Will he ever be able to oust another man from her heart? And, despite Kate's penchant for disaster, will he be able to save her life and his own?

Enjoy this delicious romance that will carry you back to the Regency period in English history, where manners were dictated by strict rules of fashion. It is the Jane Austen era, populated by gentlemen and ladies of leisure. These books are best enjoyed with a box of chocolates, and are guaranteed to enliven any boredom (ennui) that you may be experiencing!
