*Skills Institute Press*

**Woodworking Machines (Back to Basics): Straight Talk for Today's Woodworker** Skills Institute Press  
A straightforward manual for all woodworkers, this reference offers essential information about the core tools of the woodworking trade. With a chapter devoted to each machine--including the table saw, radial arm saw, band saw, drill press, and jointer--there is plenty of guidance for the beginning woodworker and suggestions for those with more experience. Each chapter includes a detailed diagram of the tool, instructions on its use, and important safety information. Whether woodworkers are setting up a shop, looking to buy new tools, or just interested in getting more from the tools they already own, this essential guide delivers concise information on an array of woodshop equipment.
