Bullfighting is the vivid focus of this absorbing portrait of Spain-a nation poised ambivalently on the cusp between past and future. The Last Serious Thing is about the spectacle of bullfighting: its technique, its present heroes, its resplendent history, its place in the world. But it is also a probing work about Spain and the Spanish soul - a book as deeply perceptive as any by Bruce Chatwin or Jan Morris. Set in the historic city of Seville, now poised to be transformed by the events of 1992-the Spanish Olympics, the World's Fair, the new unique market of Europe-The Last Serious Thing sweeps the reader into the spectacular pageantry of bullfighting-the romantic, deadly art that to countless proud Spaniards symbolizes all that is best and bravest about their country.
