Minidrill: Fifteen Projects

John Everett

Minidrill: Fifteen Projects John Everett

Make the most of your minidrill! This versatile tool is an absolute must for very small projects, and, with its generous assortment of options, it can handle an astounding array of tasks. By illustrating each technique with a specific project, this unique manual gives woodworkers and other crafters the experience to become fully competent on the machine while they're also making useful and decorative items. After instruction on the basic toolkit and the care of this precision instrument, begin by making some accessories for the minidrill--such as a tool rack and drill stand--that teach how to drill precise holes. Practice engraving on glass, making toys and games, shaping delicate miniatures like a love spoon, decorative panels, and more! 144 pages (all in color), 8 1/4 x 10 3/4.
