The Collapse of Yugoslavia 1991-1999 (Essential Histories series Book 63) Dr Alastair Finlan

In 1991, an ethnically diverse region that had enjoyed decades of peaceful coexistence descended into bitter hatred and chaos, almost overnight. Communities fractured along lines of ethnic and religious affiliation and the ensuing fighting was deeply personal, resulting in brutality, rape and torture, and ultimately the deaths of thousands of people.

This book examines the internal upheavals of the former Yugoslavia and their international implications, including the failure of the Vance-Owen plan, the first use of NATO in a combat role and in peace enforcement, and the war in Kosovo, unsanctioned by the UN but prosecuted by NATO forces to prevent the ethnic cleansing of the region.

The Osprey Guide To... series is a reworking of the popular Essential Histories series, now available as non-illustrated eBooks at a fantastic low price.

The maps and text remain the same, giving a strong historical overview of some of the most important conflicts and theatres of war from the ancient world through to modern times.
