The Novel and the Globalization of Culture Michael Valdez Moses

This text analyzes the emergence of the modern global novel, and the way it mirrors the underlying process of the globalization of culture. It focuses on Hardy's "The Mayor of Casterbridge", Conrad's "Lord Jim", Achebe's "Things Fall Apart" and "No Longer At Ease", and Vargas Llosa's "The War at the End of the World". In these works, a global narrative unfolds as the forces of modernization tragically clash with the embattled defenders of traditional society.
