## **Wager's Price (Soulkeepers Reborn) (Volume 1)** G. P. Ching

From the bestselling author of THE SOULKEEPERS comes a new series about dark magic, redemption and an unusual theater with life or death stakes... Finn Wager's luck has run out. Arrested for the one crime he didn't actually commit, he's forced to finish his education at an alternative school. The Revelations Institute is an upscale, private reform school with a 100% success rate. Delinquents go in and model citizens come out. But students who don't perform to expectations disappear. And although their bodies return model citizens, their minds are hardly their own. Something evil lurks inside Revelations, and if Finn and his new friend Hope can't find a way to stop it, they'll risk more than their lives. The repercussions could cost them their souls.
