“...by small and simple things are great things brought to pass...” Alma 37:6 Christina Andrews, a beautiful college student from a small town in Kansas, is only one insignificant person out of billions of people inhabiting the planet. Not long after settling into her college dorm, she’s dating three attractive men. Christina’s never spent much time dwelling on her past, but when it comes time to make eternal decisions, the fact that her father was a rapist takes center stage. How can she listen to the whisperings of the Spirit when her father was a criminal? Will she be able to step aside from her past to make the decisions that will ultimately save many lives, and will she be able to find the kind of love that lasts forever?
