## Critical Essays on Roman Literature (Routledge Revivals: Critical Essays on Roman Literature)

First published in 1962 and 1963, these two volumes bridge the gap between the study of classics and the study of literature and attempt to reconcile the two disciplines. The collection of essays offers a critical examination of Latin literature and aims to stimulate critical discussion of a selection of Latin poets.

This experimental and ground-breaking set will be of particular interest to students of Roman Literature, Classics and Poetry.
