## **Double Cross Blind** Joel N. Ross

December 1, 1941 It is seven days before the Japanese attack Pearl Harbor. Days that are numbered for Sondegger, a Nazi spy captured in London while on a mission to take down the Twenty Committee, a German network of spies the British have turned. For American Tom Wall, the days have run together as he awakens to find himself locked in a British military asylum. Wounded and shell-shocked, all he knows is that his brother, Earl, betrayed Tom's unit in Crete, causing one of the bloodiest massacres of the war. Now Tom has to pretend to be his brother, and try to force Sondegger to reveal what he knows about the Twenty Committee. But Sondegger also knows about the Japanese plan of attack, and Tom may be able to prevent it. But should he? An electrifying debut that combines political insight with the classic elements of espionage fiction—here is a Nazi spy novel you won't be able to put down.
