Mergers and Acquisitions, 2nd Edition Ernst & Young LLP

The economic climate, new regulations and developments both here and abroad have totally changed the face of today's mergers and acquisitions. Completely rewritten and updated, it examines realistic strategies and goals for the 1990s that must be addressed in order to achieve a successful acquisition program. Includes coverage of the post-acquisition process, chapters on restructuring financially troubled companies, and unique strategies that apply to niche acquisitions. It also features new material on international mergers, the pros and cons of partial buy-ins, cross-border alliances, financing options and covers issues (strategic, legal, financial and regulatory) that can affect a deal of any size.
