The Kiss And Make Up Series (3 Book Series) Sara Ney

From Book 1: This novel, along with all others in this series, is a standalone with no cliffhanger. You're welcome.

WILL SHE, OR WON'T SHE...

Studious and (mostly) sensible, the only thing Molly Wakefield wants to do is get through Senior Year and graduate. Well, that and hit the beach in her spare time. Okay, fine - and go shopping every once in a while for a new dress... (and who could blame her?)

And things are going according to plan - until the day she spies Weston McGrath, handsome star athlete and scholar, spying on her in study hall.

A tad creepy? Maybe.

Thrilling? Absolutely.

You see, Weston McGrath happens to be one guy no one can get close to.

Despite her best efforts to avoid it (because let's face it - the guy isn't exactly "boyfriend material") Molly and Weston form a friendship.

And more....

Sort of.

But it's a friendship that comes with a price - because Weston just cannot seem to stop screwing things up.

Or saying all the wrong things. Possibly in that order...

And who has time for an 18 year old "fixer-upper" that should know better?

Not Molly.

Or does she?

Note: This YA book is intended for 17+ due to the vulgar language used by its male characters (and occasionally the females as well, even though they're too lady like to do it throughout the entire book). Some adult sexual situations that steam up a few car windows. This title is approx. 63,000 words.
