The Outdoor Living Room: Stylish Ideas for Porches, Patios, and Pools Martha Baker

In the summer months and year-round in warmer climates, Americans love spending time outdoors. More and more, people are treating the outdoor spaces on their properties as true extensions of their homes, turning porches, pools, patios, decks, and gardens into outdoor living spaces that serve the same functions as indoor rooms. **In The Outdoor Living Room: Stylish Ideas for Porches, Patios, and Pools**, acclaimed author Martha Baker offers more than forty-five striking examples of this enlightened approach to outdoor decorating.

The Outdoor Living Room is divided into six chapters, each representing a specific type of outdoor style: Classic, Rustic, Romantic, Modern, Whimsical, and In Town. Six or seven different locations are featured in every chapter, each contributing a different idea or novel aspect of the same style. A multipaged “Components” section appears at the end of each chapter focusing on important elements of outdoor decorating, such as paving and lighting, followed by a heavily illustrated “Ideas” spread with tips on achieving a particular look. None of the magnificent spaces in this book has ever been published before; they range from a Southeast Asian–inspired tropical garden in Florida to a Japanese tea garden atop a New York City roof, from a grand wraparound porch on a classic home facing Lake Michigan to a thoroughly modern all-white patio near Miami. **The Outdoor Living Room** also includes an extensive resource section, illustrating and describing garden furniture, architectural and landscape elements, and decorative items. Packed with more than 350 full-color photographs, **The Outdoor Living Room** is at once a practical sourcebook and an inspirational delight.
