The perfect lie...

Violet Drummond can't face another office Christmas party as a singleton, but charismatic family friend Cameron McKinnon seems like the perfectly platonic "plus one" for the festive season. Until he reveals his plan to make Violet his convenient fiancée!

Wealthy architect Cameron sees this charade as the perfect escape hatch from the unwelcome attention of an important client's wife, but soon fake feelings shift to real attraction...

There's only one thing Cameron wants to unwrap on Christmas morning—the staid suit from Violet's lush body—and he's willing to push the boundaries of their agreement to accommodate his growing desire...
