The first two volumes chronicling the unique art and design of Roger Dean met with huge critical and popular success. *Views* (1975) went straight to number one in the *Sunday Times* bestseller list and went on to sell over a million copies. *Magnetic Storm* (1984) sold over 650,000 copies. These new editions, reworked to accompany the publication of the third book in the trilogy, *Dragon's Dream*, showcase the instantly recognizable work of Roger Dean.

Views showcases the first seven years of Roger Dean's work after his graduation from the Royal College of Art in 1968. It includes paintings and graphics; branding such as the Yes typography and the first Virgin Records logo; groundbreaking stage sets; and album art including iconic early Yes covers such as the award-winning *Tales From Topographic Oceans*. The new edition streamlines the original square format and retains the combination of concept sketches and brilliantly displayed finished work. Featuring a new foreword, revised typography, and graphic openers and identifying icons, *Views* showcases and celebrates the art that defined an era.
