This picture book invites readers to follow along with Larry the frog and Billy the bull frog, to see why it is not wise to judge a book by its cover. This book is great for early readers, and is book one in a series of 5 picture books. All the books are designed to teach lesson's to children in a fun and easy way. In Each book I picked a lesson whether that lesson was helping others or not judging a book by its cover. I go through 5 lessons in this series, my aim was to try to have a positive affect and to get the kids thinking about each and every lesson.
