**La apelación (Spanish Edition)** John Grisham

**La política siempre ha sido un juego sucio. Ahora la justicia también lo es.**

Corrupción política, desastre ecológico, demandas judiciales millonarias y una poderosa empresa química condenada por contaminar el agua de la ciudad y provocar un aumento de casos de cáncer, y que no está dispuesta a cerrar sus instalaciones bajo ningún concepto. John Grisham, el gran mago del suspense, urde una intriga poderosa e hipnótica, en la que se reflejan algunas de las principales lacras que azotan a la sociedad actual: la manipulación de un sistema judicial que puede llegar ser más sucio que los crímenes que pretende castigar.
