## **Personal Finance** Robert Walker, Kristy Walker

Personal Finance, 2e by Walker/Walker offers students an engaging treatment of personal finance, while incorporating unique themes, an application-driven pedagogy, and a definitive action plan. Unlike other texts on the market, it offers a frank and timely discussion of living within one's means and incorporating personal values and priorities into a personal financial plan. The intent is to help readers set priorities that guide their finances, rather than the other way around. This book establishes a path toward financial freedom that is less about accumulating wealth and more about building a future tailored to individual goals. With Walker/Walker, your future looks bright!

### From reader reviews:

#### **Joshua Ricker:**

Book is to be different for every single grade. Book for children till adult are different content. As it is known to us that book is very important usually. The book Personal Finance has been making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The e-book Personal Finance is not only giving you a lot more new information but also being your friend when you truly feel bored. You can spend your spend time to read your e-book. Try to make relationship together with the book Personal Finance. You never really feel lose out for everything in the event you read some books.

#### **Clarence Riley:**

Reading a book tends to be new life style in this particular era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their own reader with their story or even their experience. Not only situation that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some research before they write to the book. One of them is this Personal Finance.

#### **Marcus Casale:**

Does one one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you just dont know the inside because don't judge book by its include may doesn't work at this point is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appear likes. Maybe you answer can be Personal Finance why because the fantastic cover that make you consider concerning the content will not disappoint a person. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Larry Huff:**

Many people spending their time by playing outside using friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to take the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smart phone. Like Personal Finance which is having the e-book version. So , try out this book? Let's see.
