## **Rock Springs** Richard Ford

In these ten exquisite stories, first published by Atlantic Monthly Press in 1987 and now reissued as a Grove Press paperback, Richard Ford mines literary gold from the wind-scrubbed landscape of the American West—and from the guarded hopes and gnawing loneliness of the people who live there: a refugee from justice driving across Wyoming with his daughter and an unhappy girlfriend in a stolen, cranberry-colored Mercedes; a boy watching his family dissolve in a night of tragicomic violence; and two men and a woman swapping hard-luck stories in a frontier bar as they try to sweeten their luck. *Rock Springs* is a masterpiece of taut narration, cleanly chiseled prose, and empathy so generous that it feels like a kind of grace.
