Wallflowers in the Kingdom: A Vindication of Introverts in the Body of Christ

Louis N. Jones

Wallflowers in the Kingdom: A Vindication of Introverts in the Body of Christ Louis N. Jones

Introverts are not weird. They are not social outcasts. They are not brooding serial killers. And they are not created to be extroverts. The author explains why introverts are created that way by God and are important in the functioning of the Kingdom of God. He examines Scriptures that support the lifestyle of the introvert, and calls upon extroverts and introverts to better understand each other to foster harmony in the church. Wallflowers in the Kingdom is yet another resounding voice in a Godly chorus designed to bring more light and vindication to the lifestyle of the introvert in the modern-day church. This guide is for the faithful Christian pressured by today's extroverted churches to be outgoing and sociable, but is not yet ready to be the "life of the party."
