When you mix a fresh picked coupling...

Caterers Chantal and Monty have been hired to handle Layton Industries' annual Christmas party held at the couple's penthouse apartment. With big dreams and very little money, they're living on love. When their hosts don't make it home for the party, a heady serving of desire distracts the freshly engaged pair during the post-party cleanup...

With a freeze-dried relationship...

Steve and Alexa Layton find it difficult to connect anymore. They've spent so much energy and time on achieving financial security, they've forgotten what it feels like to be young and in love. When their flight is grounded during a snowstorm, it brings their disconnect to a boil...

Toss in a little spice...

When Steve and Alexa catch their caterers' after party romp via their online security camera, will it be the ingredient they need to repair their marriage?

...and this catered affair is one they'll never forget.
