Sherlock Holmes' Lost Adventure: The True Story of the Giant Rats of Sumatra Lauren Steinhauer
Raw panic seemed to overcome Holmes' expression. I could only imagine that he suddenly foresaw the inexorable conclusion as vividly as any of his past deductions. We were about to face our own deaths! A youthful Sherlock Holmes is recuperating from the ordeal destined to be chronicled by Dr. Watson as *A Study in Scarlet*. Holmes' next adventure, the lost adventure, starts mundanely enough with the theft of a typewriter but for one outré fact: The death of the beautiful supplicant's manservant. More thefts and purloined documents carry Holmes and Watson across Europe on the Orient Express in search of the truth. A devilishly clever cipher and a murdered sailor lead Holmes to a horrifying conclusion. Travel with the great detective and Dr. Watson from the steaming jungles of the Sunda Strait to long forgotten caverns beneath London to face a new arch villain, Lofcadio Hearseborne III, and the greatest terror of their lives.
