The Captain of Her Heart Frank Borne

The celebration of New Orleans continues and the heat is turned up when Claire Boudreaux returns home from college and finds herself torn between her father's best friend, Baxter, with whom she has a mutual love for New Orleans heritage and has known all of her life, and a co-worker, Jared, an accomplished investigative reporter who mentors her as she embarks on a career as a television news reporter. She loves them both, and struggles to make her own decision despite external influences. Will Claire and Baxter's age difference and disapproving family members cause her to choose Jared? When Baxter, Captain of the Krewe of Sancus, becomes embroiled in a scandal involving corrupt city officials, will Claire wash her hands forever of him and his Carnival activities and political machinations, or will he become the captain of her heart? Come back to The Big Easy where the good times continue to roll.
