Rome. A shocking discovery and dark secrets. Is the leader of the Catholic Church hiding something that could change the world?

Investigative journalist Flic Bastone overhears a startling conversation she can't ignore. There is no proof, nor does she want any. Poking into Vatican affairs is dangerous. Aware that the secret could soon be exposed to the world, Flic hastily pens a novel that shares alarming similarities to the uncovered truth.

Eager to capitalize on what they recognize as a best seller, Griffin Publishers fast-tracks the novel to print, propelling marketing guru Anna Lawrence and Flic on a grueling promotional tour. Pushed closer together when attempts are made on Flic's life, their growing attraction intensifies. Who's targeting Flic? And will Anna move beyond her own religious beliefs while their worlds fall apart?
