The Ted Burns Series: Late for Work (Volume 1) Tom Penna

LATE FOR WORK. Can you run from a rising body count? The action picks up and Ted Burns survives two 'near death' experiences. Unwell and wounded he is thrown further into the middle of gangland busts and the power of the law when it steps outside its boundaries. Ted Burns is now central to the Australian Federal Police, the CIA and the American hit team 'off the book's' operations as the body count races to 19. Burns is also of interest to the 'on the books' state police investigations. But more disturbingly an outlaw bikie organisation, whose franchise has been busted – they want Burns. Burns knows things. Friendships and loyalties are tested as events close in – the coincidences are too many. Time is running out for Ted Burns.
