“Nathan, please, I haven’t done anything!” She called out, tears coming to her eyes, remembering how bad the last beating felt. He pulled off his belt, and she knew immediately this was going to be the implement of choice.

“Three....two...” She immediately stripped and laid across the bed.

“Did someone come and see you today? Don’t you dare lie to me, because you’re already at thirty, and every lie will go up twenty.”

“Yes sir. She asked...” A sharp pain went across her upper thighs and she screamed out and immediately put her hands over her thighs crying.

“I see we've forgotten all of the rules.” She immediately laid back flat, but continued to cry, silently begging that he just make it quick. She knew thirty of those were going to be hard to get through.

“Now... tell me everything that was said.” Laying in that vulnerable position, and knowing she was about to get punished, Susan said every single word.

When she was finished, he laid the belt across her bare bottom.

“That’s a good girl. I just wanted to know what was said, because that woman pulled me out of work to ask me if I ever put my hands on you. She said that you said no, but I wanted to make sure. You lay here and think about what will happen to you and I am going to eat and figure out if you deserve those thirty. I’ll be back when I’m finished. You move, and it’s fifty.” Nathan went and ate the dinner she had prepared. When he came back, he grabbed the belt. Susan held her breath, until she felt the first swat.

“Ten, just to remember what your place is, and what will happen if you ever leave or tell anyone. I will find you, tie you up, and one hundred swats, is where I’ll start.”
