Gray Tide in the East Andrew J Heller

One decision can change the course of history, but would the results be so dramatically different if, simply, Kaiser Wilhelm II had persisted against the advice of his military commanders and ordered his troops already massed at the Belgian border in 1914 to re-deploy to the east against Russia instead? It nearly happened. The Kaiser did order the invasion of Belgium halted, and yet it went ahead, bringing Great Britain and the rest of the British Empire into the war. This book explores what would have happened if the Kaiser's decision had not been reversed and his troops had not crossed the Belgian border. It is fiction, of course, but the characters are real and, most of them, precisely where they were and where they would have been fulfilling their historical roles at that time. The story is vivid, realistic and exciting, following the action, the intrigue, the political upheavals as well as political apathy and inertia, meticulously researched and accurate in military and historical detail.

From reader reviews:

Ebony Thornton:

Inside other case, little folks like to read book Gray Tide in the East. You can choose the best book if you want reading a book. Given that we know about how is important a book Gray Tide in the East. You can add information and of course you can around the world by a book. Absolutely right, because from book you can recognize everything! From your country until eventually foreign or abroad you can be known. About simple point until wonderful thing it is possible to know that. In this era, we can open a book or searching by internet unit. It is called e-book. You can use it when you feel bored to go to the library. Let's study.

Anna Rangel:

Reading a publication tends to be new life style with this era globalization. With reading you can get a lot of information that will give you benefit in your life. Together with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Many author can inspire their own reader with their story or even their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write to the book. One of them is this Gray Tide in the East.

Lily McDermott:

The reason? Because this Gray Tide in the East is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content within easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

Robert Murphy:

This Gray Tide in the East is great guide for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great organize word or we can declare no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tough core information with beautiful delivering sentences. Having Gray Tide in the East in your hand like obtaining the world in your arm, info in it is not ridiculous one. We can say that no publication that offer you world with ten or fifteen second right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?
