Recently divorced author MacKenzie Dillon has lost her writing mojo. When she inherits her great aunt's haunted house in Virginia, she is determined to make a new start. The creepy old house provides inspiration but at what cost?

Successful architect and paranormal skeptic Justin Kent returns to Penny Hollow to fulfill his father's dying wish of revitalizing their small town. To do that, he needs the allegedly haunted estate at Summerfield. Mac, the new owner, may be gorgeous and spunky, but she refuses to sell.

These two have a dangerous history that spans the ages, but will they discover the truth in time to save their lives?
