Oh, buttercups...

Madeline thought she got a steal on the house. All she had to do was clear out the old owner's things. She got her voluptuous friend Susan to help with the treasure hunt, but in the end they didn't turn up much. She did manage to find an old brooch that looked expensive and had a strange pull over her.

Later that night she discovered its amazing power. When she held it in her hand, she was transformed from the flat mousey bookworm she normally was into a sultry short temptress. From there it didn't take much to convince Susan to use the brooch as well and the two women spent an exciting morning together in bed exploring the pleasures that only two women could share.
