The \$30,000 Bequest and Other Stories (1906) is a collection of thirty comic short stories by the iconic American humorist and writer Mark Twain.

The stories contained span the course of his career, from "Advice to Young Girls" in 1865 to the titular tale in 1904. Although Twain had ample time to refine his short stories between their original publication date and this collection, there is little evidence to suggest he took an active interest in doing so.
