The Life of Jesus for Today Ronald J. Allen

In this new volume in the popular For Today series, Ron Allen provides an exciting introduction to the life of Jesus and an engaging discussion of what Jesus' life means for modern-day believers. Setting Jesus in his ancient context, Allen examines many stories about Jesus' life and shows how these different stories relate to one another to express the core of Jesus' message--a message that, as Allen helpfully shows, is of central importance for believers today.

The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past, but also on their value in the present--"for today." Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use.
