The Paradoxes of Love Llewellyn Vaughan-Lee PhD

The heart's relationship to God is one of the greatest mysteries, for He is both far and near, both awesome and intimate. The author looks at many of the paradoxes of this union, and how these seeming opposites are united within the heart. He combines his own personal experiences with the teaching and wisdom of the Sufi path to show how love reveals its hidden nature. This book will be of special interest to seekers who would understand the ways of mystical love.
