The Serpent Sword (The Bernicia Chronicles) Matthew Harffy

633Ad. Anglo-Saxon Britain. A gripping, powerful, action-packed historical thriller about vengeance and coming of age. The Bernicia Chronicles are perfect for fans of Bernard Cornwell. Beobrand is compelled by his brother's almost-certain murder to embark on a quest for revenge in the war-ravaged kingdoms of Northumbria. The land is rife with danger, as warlords vie for supremacy and dominion. In the battles for control of the region, new oaths are made and broken, and loyalties are tested to the limits. With no patronage and no experience Beobrand must form his own allegiances and learn to fight with sword and shield. Relentless in pursuit of his enemies, he faces challenges which transform him from a boy to a man who stands strong in the clamour and gore of the shieldwall. As he closes in on his kin's slayer and the bodies pile up, can Beobrand mete out the vengeance he craves without sacrificing his honour . . . or even his soul? Can't wait for the second instalment? Pre-Order Book 2, The Cross And The Curse Now – Out October 2016.
