Thr3e [Three] Ted Dekker

A powerful novel of good, bad, and all that lies in between. Imagine answering your cell phone to a mysterious voice that gives you three minutes to confess your sin. If you don't, he'll blow the car you're driving to bits and pieces. So begins a nightmare that grows with progressively higher stakes. There's another phone call, another riddle, another three minutes to confess your sin. The cycle will not stop until the world discovers the secret of your sin. You have one huge problem: you don't have a clue what that sin is.

Thr3e is a psychological thriller that starts full-tilt and keeps the listener off balance until the very last suspense-filled minute.
