Tie and Tease (Nexus Classics) Penny Birch

Penny Birch is playing the fox in a bizarre hunting game. But all does not go according to plan, and she's found by a total stranger, Beth, who is naturally concerned at the state of her. After spending an awkward afternoon explaining herself, Penny becomes determined to seduce Beth, an innocent in all the ways of bizarre naughtiness. Penny's continued efforts get her into more and more trouble as she is frequently punished, humiliated, and even put on a roasting spit—to the point that she wonders if she can take any more.
