True Ghost Stories II: Frightening Accounts of Haunted Houses, Paranormal Mysteries, and Unexplained Phenomena (Volume 2) Selinda Hart

True Ghost Stories, volume II, is Selinda Hart's second collection of ghost stories, unexplained mysteries and frightening paranormal accounts of real people who experienced them firsthand. Having worked as an investigator and as a researcher for the paranormal radio show "Tia Maria" she has brought together some of the best hauntings, accounts of paranormal mysteries, and true ghost stories in this collection.

The thirteen stories in this book include diverse paranormal phenomena and unexplained mysteries set in different locations in the United States, Mexico and one compelling and frightening account in Panama.

"The Upstairs," and "The Doll," are real personal experiences which took place in the Dallas house the author lived in as a single mom for over five years. Her children, who are now grown, remember the strange paranormal activity in the house off Greenville and to this day do not like talking about it. For others whose personal accounts are included in this collection, their journey into the paranormal and the unknown, have left them profoundly affected.

"My heart was pounding and I went into a cold sweat. It must have been only a couple of minutes, but it to me it felt like an eternity. I was in a full blown panic. Had I traveled back in time?"

Several of the people whose paranormal accounts are included in this collection were once skeptics. After their terrifying experiences, they either chose not to talk about it ever again or had to admit there was evidence of ghosts and the paranormal.

If you enjoy reading scary stories, paranormal mysteries, and unexplained phenomena, then "True Ghost Stories II" will leave you with chills. So snuggle up, get under the covers and get ready for some spine-tingling tales!
