Coventry Pool & Garden House Plans: Plus English Summerhouses Manor House Publishing Co., Inc. Swimming pool owners worldwide should rejoice as this unique 128-page catalog presents the newest, boldest and most beautiful pool house designs from leading registered architects. The catalog features 58 full-page renderings of pool house and garden house exteriors, along with corresponding floor plans for each to show space utilization and amenities provided. Also featured are five charming summerhouses from England. This section is beautifully photographed and offers an opportunity to obtain the perfect adornment for an English-style garden. The collection covers a broad range of styles and sizes so that a pool house or a garden house design can be selected to meet the requirements of almost any type of property and budget. An especially important aspect of the catalog is that the company offers a complete set of architectural plans for each pool house and garden house illustrated. The detailed building plans, which may be ordered by phone or by use of an order form provided in the back of the catalog, include architectural plans and elevations, so that each pool house and garden house can be built exactly the way it appears. While eight of the designs in the catalog are specifically designated garden houses, many of the pool house designs can be easily converted to garden houses, thereby increasing the variety of choices.
