DC Cuts: What Goes Up and Never Goes Down? How the Federal Budget Defies Physics. (Color Version) Bob Long

This book by former Division Controller at a Fortune 500 company dissects the federal budget from the point of view of someone far outside the Beltway • Find out how the budget went from a surplus to a string of trillion dollars deficits • Understand why government revenues have dropped to record lows relative to the size of the economy. • Discover where your tax dollars are being spent. • See what it takes to balance the budget again in 5 years. DC Cuts provides a detailed line by line look at the recent trends in government revenues and spending and identifies where and how the budget has spiraled out of control. A less expensive black & white version is also available
