Sunny Day hasn't been to church or had a church calling in over twenty-one years, and now Jack "Mormon" Heath is asking her to be Relief Society president of their small branch. It would take a miracle to make her worthy. And right now that is just what is needed, because a stranger's life desperately depends on her. Meanwhile, Kelli Carson has tried to buy her deep feelings of guilt by living in a fundamentalist community. Now she has been chosen to marry a man she can never love, and who is already married to another. She knows she must escape--and take her new friend Mary Rachel with her. But where can they run? At once engaging and suspenseful, False Pretenses is a story where every action has an equal reaction. Carole Thayne Warburton's vibrant characters and well-paced layering will have you looking for those extra minutes to read the next chapter.
