Fantastic Four Visionaries: John Byrne Volume 1 TPB John Byrne

It was the world's greatest comic magazine. Again. Not since the days of Stan Lee and Jack Kirby, the trailblazers of the very mythology known as the Marvel Universe, had someone so perfectly captured the intense mood, cosmic style, and classic sense of adventure of Marvel's first family of heroes - the Fantastic Four. Writer. Penciler. Inker. Visionary. John Byrne reminded us all there was a family at the heart of this team of adventurers. The Fantastic Four has always been called "The World's Greatest Comics Magazine." The evidence is found in these very pages. Collecting Fantastic Four #232-240.
