This sexy, contemporary romance will keep you spellbound with a Scottish castle, a Napa winery, Kentucky Thoroughbred racing, murder and a strong cast of memorable and entertaining characters woven into a high-stakes romantic suspense with a paranormal element.

This is a companion love story to the Kindle time travel romance best seller *The Ruby Brooch*.

As the first female president of her family's Napa, California winery, Meredith Montgomery has her hands full with launching a new wine when a personal tragedy from her past catches up with her again. Taking refuge in Scotland for a working holiday, she meets charming Thoroughbred breeder Elliott Fraser. She tries to keep her distance and focus on work, but his Scottish brogue and eyes as brown and dark as rich Belgian chocolate promise an irresistible distraction from her fear and stress. Although a marathoner, Meredith finds she's unable to run very far from the irascible Highlander's bed.

A crisis tears them apart within days of discovering each other, but their passion refuses to be quieted, setting off an explosive chain of events that threaten their hopes for the future. One careless moment confronts them with a life or death decision that could destroy the MacKlenna family legacy forever.
